PARKING — PLEASE READ AND SHARE WITH YOUR FAMILIES

PARKING IS LIMITED. PLEASE PLAN AHEAD.

- **Two lots, both small.** The main lot is off Meadow St at the top of the complex. There is a second, **very limited** lot next to Field 2 off Chestnut St. Both are marked in orange below and both fill up fast on a two-field weekend.
- **Overflow parking is available on East O'Hara St** — a short walk to the fields. Send families there rather than circling the lots.
- **Arrive early.** Build in extra time to park and walk in.
- **Be a good neighbor.** This is a residential neighborhood — no blocking driveways, no parking on lawns, and keep the grass and outfield access lanes clear for emergency vehicles.

East End Park, 51 Meadow St, McDonald, PA 15057 — both lots highlighted in orange. Additional parking on East O'Hara St.

UMPIRES

2 PER GAME

Every game — pool and bracket — is worked by a full two-umpire crew.

BRACKET

SAT PM

Pool play ends Saturday midday and we go directly into bracket play that afternoon.

TIE BREAKERS WITHIN POOLS

Applied in this order when breaking ties within a pool:

#	TIE BREAKER	HOW IT'S APPLIED
1	Record	Pool win-loss record
2	Head to Head	Result of the game between the tied teams
3	Runs Allowed	Fewest runs allowed in pool play
4	Run Diff	Runs scored minus runs allowed
5	Runs Scored	Most runs scored in pool play

PLAN YOUR WEEKEND — BRACKET STARTS SATURDAY AFTERNOON

This is the one piece of scheduling we need every coach to pass along to their families:

- Pool games are played **Friday evening and Saturday morning/midday**.
- Seeds are posted **early Saturday afternoon** and the bracket begins **immediately after** — there is no long break and no going home in between.
- Teams should plan to **stay at the complex** Saturday from their first game through their bracket game.
- Semifinals and the championship are played **Sunday**.
- Exact game times, field assignments, and live bracket updates are on Tourney Machine. **Check it Saturday** — bracket times post as soon as pools finish.
